Sir:

This is in response to the Office Action of July 14, 2004, which sets a three month shortened statutory period for response until October 14, 2004.

Applicants note that this response is being filed by the initial due date for response, whereby an extension of time and the government fee associated therewith should not be necessary for maintaining the pendency of the application. However, if any extension of time is necessary to maintain the pendency of the application, this should be considered to be an express request for any necessary extension of time and authorization to charge any necessary extension of time fee to Deposit Account No. 19-0089.

Entry of the instant amendment, with reconsideration and allowance of the application are respectfully requested.

Amendments to the Claims are reflected in the listing of claims which begins on page 3 of this paper.

Remarks/Arguments begin on page 4 of this paper.
